MIDEMNET/MIDEM Panels

On Arrival

A2IM Stand Address: R36.18

When you get to the stand please come to the A2IM Pavilion reception desk and introduce yourself to the A2IM staff and the stand hostess. If you have a meeting schedule, leave it with the hostess. If you will accept walk-up appointments (after all, we are the Americans), please let the hostess know. The hostess will use the genre of music/business descriptions you listed for your company on the [A2IM website](#) for when walk-up visitors ask for specific types of music or services.

Important: Please note that the stand is closed off for exclusive use by our members and their meeting guests except during our cocktail parties. For space reasons your non-member guests will be asked to leave the A2IM Pavilion if they linger after they are done with their meeting with you.

The A2IM Pavilion

Tables and Chairs

Based on prior history, there should be plenty of tables and chairs in the Pavilion stand for your use. In the unlikely event we become over-crowded, please be prepared to share space or accommodate your fellow members. And we ask that you understand the tables are for meetings only. Please don't camp out at a table all day.

Front Desk

The front desk is the designated area for you to meet up with your contacts prior to meetings. This designated area will be located at the front of the stand and will be manned by our hostess and the A2IM staff.

Coat Room

There is a common coat room and very limited storage area within the A2IM stand. We cannot store your luggage or supplies; there just isn't room. The storage closet can handle holding your laptop or a small bag if you need to leave the stand for a few minutes. There is no security so items left are at your own risk.

Promotional Stands and Literature

Due to the space limitation you should not bring promotional standees and you will not be able to leave promotional literature material on the front desk, just at your meeting table. Bringing a small table standee with your logo or company name on it is encouraged.

Messages

Every attending member company will have a mailbox within the A2IM stand.

The hostess will collect messages and put them in your mailboxes, which you should check on a regular basis. Please give out our stand phone number for intercom use or emergencies only. It is our only phone and not to be used for regular calls.

Internet Access

The A2IM Pavilion will have Wi-Fi for those bringing a laptop and needing Internet service. **We remind you to bring an electrical converter suitable for EU electrical outlets.**
